Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Thursday 02 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Friday dry and bright before rain arrives in the evening.

This Evening and Tonight:
Cloudy this evening with some patchy mostly light rain. Drier, clearer weather will spread from the northwest later. The odd shower developing in the northwest. Minimum temperature 5 deg C (41 deg F).

Friday:
Many places will have a dry and bright day with some sunshine. The odd shower along the north coast. Rain spreading east in the evening. Maximum temperature 7 deg C (45 deg F).

Outlook for Saturday to Monday:
Rather cold and breezy with showery rain on Saturday. Dry and sunny on Sunday but colder. Rain Sunday night then sunny intervals and showers on Monday.
